Dear Friend,

Having been involved in the local community since 2009 and in local government since 2014, I have worked tirelessly for positive change in Henry County. I feel that the time has come for me to seek elected office at the County level. I want to bring fresh ideas and positive solutions to the Henry County Commissioners Board by running for District 5 Commissioner.

As a Stockbridge Councilwoman, I served as Chair of the Public Works Committee, created the Stockbridge Youth Council and Teen Ambassador Program. I was appointed to the Georgia Municipal Association's Legislative and Federal Policy Committees and received over 204 training hours from the University of Georgia's Carl Vinson Institute of Government. I was also awarded the Georgia Municipal Association's "Distinction" Award and the National Foundation of Legislative Women "Woman of Excellence" Honor.

I believe that every community desires and deserves strong, professional, dedicated, compassionate, hardworking and dependable leadership. I continue my pledge to commit myself to the people and the community in which I live.

To succeed in this effort, I am mounting an aggressive campaign that will require a strong and organized grassroots organization. With brochures, flyers, and yard signs to purchase, social media and advertisements to place, and communities to canvass, I need your help. This is why I am inviting individuals to join my campaign and help make a real difference!

My financial goal is to raise approximately \$50,000 to help fund my run for Henry County Commissioner District 5. I humbly ask for your support in meeting this goal. An early contribution to *Elect Neat Robinson* will help raise the initial funds needed to launch and sustain the campaign and get our message out to the public.

Your contribution can be mailed to the address below, made payable to *Elect Neat Robinson*. Also, for your convenience, contributions can also be donated via the website [www.neatrobinson.com](http://www.neatrobinson.com). Your contribution is greatly appreciated. Thank you for your consideration of support.

"If not now, when? . . . If not me, who?"

Sincerely,

Neat Robinson
